Thank you for your interest in having your workers' compensation case reviewed by our doctors. Please note that if you are not part of the Alliance Network, we may not be able to accept your case.

To review your case, we require **all medical records related to your injury**, including doctor's notes, MRI and X-ray images on a disc, imaging reports, ER notes, and operative reports if applicable. Unfortunately, diagnostic images cannot be faxed or emailed.

Once we have received all records and the completed information below, we will review your case and contact you with our decision. Thank you.

Please complete the information below fully so we can process your case efficiently:
